Please read this carefully to avoid any misunderstanding and check all the details are correct and that **You** have the protection **You** need and know what to do should **You** need to claim.

Please notify **Us** of any change in **Your** circumstances. Law applicable to the contract

Under **United Kingdom** law the parties to this insurance contract have the right to choose the law which should apply. In the absence of any agreement to the contrary English law will apply.

How to read **Your** Photoguard Certificate of Insurance

You need to be aware that all insurance certificates are subject to certain Exclusions and Conditions. It is therefore essential that **You** are aware of what is covered and what is not and any Security Requirements and Conditions **You** need to comply with. For simplicity, **We** use keywords or phrases which are shown in Definitions and these are listed in alphabetical order. They have the same meaning whenever they appear and will always be shown in **Bold Italics** with an initial capital letter so as to remind **You** of their importance.

To help **You** understand the cover provided **We** have laid out Section 2 under the following headings:-

What is Covered – This text gives information about the cover provided

What is Not Covered - This text draws **Your** attention to what is not covered

In addition **You** should also read the Security Requirements, General Exclusions and Conditions which appear in Sections 3,4 & 5.

Your Certificate of Insurance should be read in conjunction with **Your Insurance Schedule**, as together they form the basis of **Your** insurance contract.
